# Have you recycled these items?

# Many Canadians are recycling wrong, and it's costing us millions

Emily Chung · CBC News · Posted: Apr 06, 2018 4:00 AM ET | Last Updated: April 9

**Point camera at  
item**

**Classification**

**Neural network  
analysis**

# Using tensorflow MobileNet

with batch file download from Google Images...

# It can recognize:

Paper
